Dear

You will find overleaf a blank application form for membership of the air-gun & bowsports section of the Swadlincote Rifle & Pistol Club.

If your application is successful you will be issued with a 'Yellow' membership card which signifies that you are an air-gun / bowsports member.

As an air-gun / bowsports member you will not be permitted to handle firearms or ammunition unless on a pre-arranged guest day, on a 'one to one' supervision basis, by either the range officer or a full member of the club, or someone who is a coach with a qualification recognised by the Great Britain Target Shooting Federation and/ or governing bodies.

It will be necessary for you to receive an instruction course, with a club range officer, to ensure that you are aware of the safety standards necessary for safe use of the range.

You will be invited to attend a future meeting of the Committee to discuss the final stages of attaining membership. *(not applicable to junior applicants).*

If, in the future, you wish to be trained in the use of firearms then it will be necessary for you to complete another form and enter a period of probationary membership.

The current club fees, as decided at the 2008 AGM, are as follows :-
